Dear Buddy:

Now that I'm back from visiting Harold's mother, as he told you I was doing, I am forwarding the invoices for some of the purchases we have made.

As for the file folders, our only interest in the type you use was for your benefit. The light-weight ones we have on hand and use for our files are suitable for our purposes. I appreciate Ms. Singh's getting the information and transmitting it, but obtaining them is out of the question for us.

I hope things are going well for you and that you'll be able to enjoy a relaxing vacation.

When anything concrete by way of the trust arrangement which Jim Lesar and Howard Roffman discussed with us arrives, We'll let you know.

Sincerely,

Lillian Weisberg
